

Blue Yonder Kennel Rules / Guidelines

- **Puppies will ONLY be placed in homes that have experience with, and knowledge of, the ACD or other herding breeds, or to individuals that have done extensive breed research and fully understand what this breed is about. ACD's are NOT for everyone!**
- We feed Purina Pro Plan Sport 30/20, Chicken variety and puppies will come home with a sample pack of food. This is an all life stages food so puppy can stay on this through adulthood if you so choose.
- Puppies are dewormed at 3, 5 and 7 weeks of age, vaccines are given between 6 and 7 weeks of age. Puppies go home with a puppy goodie bag that includes AKC registration form, 30 days health insurance through AKC upon registering, 1 year health guarantee, sample baggie of food and toys. Puppies are handled daily with lots of TLC.
- All adults are tested for PRCD, PLL and RCD4, along with additional genetic diseases tested in the ACD Genetic Panel by PawPrint(NeoGen). Unfortunately at this time we are not able to do BAER testing, however each puppy is closely watched for any hearing loss signs.
- Limited *AKC prices start at \$1400* and up. Full registration can be discussed for additional cost and to the proper home only.
- When purchasing full registration with breeding rights, said puppy/dog will ONLY be allowed for breeding with other AKC registered prospects of the same breed. Do NOT request full registration if you plan to breed with any other breed of dog or any other registry than AKC.

- Once you have placed a deposit, I will make at least weekly updates with litter and individual puppy info, along with lots of pictures and/or video. I like to keep my new families in the loop with the progress of their soon to be new family member. Always feel free to check in as well!
- Puppies are to be chosen as soon as possible once deposit is placed and no later than 5 weeks of age. This is to be respectful of others waiting behind you to choose their new puppy.

- Between the 6th and 7th week of age, I will reach out to make final pick up or shipping arrangements. I will also notify you of balance owed and timeframe to submit final payment and any other info regarding picking up or shipping out that would be needed.

- Puppies **MUST** be picked up / shipped out by 9 weeks of age, unless otherwise discussed. After this time frame a daily boarding fee will apply.
- Pick up is always welcome. We also have very reliable ground shipping available, please inquire for a quote. Unfortunately, we are no longer able to fly any puppies/dogs out due to our location and available airlines.
- PLEASE remember to respect my time. I'm somewhat flexible and will work with you best I can in regards to times/days of pick up, extra pictures, extra videos, etc., but my time is valuable and I run a very busy schedule between dogs, family and working full time. When picking up, try to be on time for the time we agree upon. Come prepared to travel back with puppy, with extra towels, puppy pads, crate, water, etc. If you will be late, please notify me in a timely matter so that I can continue work that needs to be done until your arrival.
